

Tokyo Internship

東京で仕事する。

Do you want to work in Tokyo? We are looking forward to your application!

Would you like to have a valuable experience in Tokyo that will lead to your future career?

We will arrange your flight ticket to Japan, the pick-up and drop-off dates at the airport.

Experience a productive internship with people from all over the world!

Why to participate?

1

Support from preparation to completion

You will receive detailed support, including procedures for coming to Japan, individual care and training, and transportation to and from the airport.

2

No cost burden for internships

The travel costs and accommodation will be covered by the management and the companies. (*1)

(*1) If you do not have a passport, you will be responsible for the passport application fee.

3

Mutual understanding is created with companies(*2)

You will gain professional experience, and the chance to learn about Japanese culture and values.

(*2) Companies refer to small and medium-sized enterprises (SMEs) in Tokyo.
